

Dear Participants,

HKDRC 33rd Hong Kong Green Half Marathon 2010 – Reward the Environment

With your help HKDRC would like to lessen our Carbon footprint in this event at a time.

With this in mind our Green Team services your race in the following caring way :-

- **Keep our special design and special material made number as your souvenir to save Gabbage**
- **Note and attend to the runner's guide on the back side of the number that saves the use of paper**
- **Accept the marked bus services on the runner's guide that saves manpower and resources on handling of bus tickets**
- **Accept the use of Barcode Scanner results that help saving the use of electricity for electronic and computer equipment**
- **Enjoy the scenic view that shown on the poster and entry form and these views are all under your feet of your pleasant run along the Green course**

We look forward to sharing a Greener tomorrow with you.

Many thanks,

**HKDRC Race Committee
(November 2010)**
